Teaching Thinking Project Language Survey

Instruction: This survey is to find out students' spoken language background. There are no correct or incorrect answers. Whatever has happened to you or is true for you is the "right" answer. You should base your answer to each question on your experiences and please try to answer each question. If you need more space to write down your answer you may use the back of the question sheets. Write down the question numbers to indicate which question you are answering if you need to do this.
